

Position Posting: Director of Development

As a destination of choice, Sauder Village offers guests experiences rich in history, hospitality, creativity and fun.

The **Director of Development**, in partnership with the Executive Director and the Board of Trustees, is responsible for designing and executing the overall fund development vision and strategy to provide for the current and future needs of Sauder Village. This strategy will include an emphasis on the annual fund, grants, major and capital gifts, donor cultivation, gift stewardship and planned giving. A bachelor's degree and 3-5 years demonstrated fund development experience is required.

Please respond (via mail or email) by submitting cover letter, resume, the names of three professional references, and salary requirements by Wednesday, January 18, 2012:
